

## Finite® Blue HD Long Cuff

Finite® Blue HD Long Cuff is a powder free nitrile disposable glove compliant to European Standard EN374 providing an effective barrier against oils, acids and other chemicals. It features a unique diamond grip pattern which optimises surface performance and ensures an outstanding grip. It has a long 31cm cuff offering additional protection to the forearm. Made from a superior strength nitrile formulation, it provides exceptional resistance to tears and punctures yet is extremely soft and flexible providing unparalleled comfort and sensitivity. The Finite® Blue HD Long Cuff has an AQL rating of 1.5 and has been tested in accordance with EN1186 making it suitable for food contact.
